## PERSPECTIVES ON WAR AND PEACE IN CENTRAL AMERICA: SYMPOSIUM: PAPERS

Ohio University Press. Paperback. Book Condition: new. BRAND NEW, Perspectives on War and Peace in Central America: Symposium: Papers, Sung Ho Kim, Thomas K. Walker, This volume records the perspectives of a highly diverse group of prominent individuals who met late in 1988 in an important international symposium concerned with the continuing conflicts in Central America. Included are presentations by leading conservative and liberal scholar-authors; high ranking diplomats from the governments of Mexico, the United States, and Nicaragua; directors of conservative and liberal think tanks; a spokesperson for a state governor opposed to Ronald Reagan's policy of sending National Guard troops to "train" in Central America; a centrally involved media practitioner; and a media critic. It also includes an unofficial translation of the final report of the International Verification and Follow-up Commission established by the Arias Peace Agreement. A preface and an introduction by the editors set this lively and historic debate in context.
