Not illustrated. 1915 Excerpt: . . . transfer to carry the full sense of the importance of the principles and the richness of its applications in the several levels of evolution. The same comment may be made in regard to the succeeding topic which illustrates the principles governing the higher phases of psychic regulation, where the sensibilities, emotions, and reasoned actions combine into a system of sentiments set and operative in an institutional, social milieu. For the moment the emphasis is upon the mode of reaching the sentimental stages of psychic regulation. Note 12, page 56. With a somewhat more limited yet genuine reference Thorndike says: What might appear to be perverse luxuries in the business of keeping ones self and ones offspring alive, turn out to be, in connection with certain other tendencies, means of exterminating all enemies, securing food in regular abundance, and remaking the environment to suit mans...
