Condition: Neu. 211x151x4 mm. Neuware - Seminar paper from the year 2013 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Trier, language: English, abstract: What makes a text a science fiction text What makes it a fantasy text In this study, I would like to discuss why it is impossible to clearly draw a line between these two genres. In order to do so, I am going to focus on the justification of the unreal, respectively, the supernatural elements of a story. I shall be discussing why a text can be considered a science fiction text or a fantasy text and why, in some cases, there is no clear answer to the question of which genre a text belongs to. While one might answer the two questions put at the beginning of this study rather quickly by stating a rule of thumb scientific elements make a text a science fiction text, magical ones make it a fantasy text it is obvious that this would lead to a very broad definition. It is thus necessary to go into detail, which I am going to do. In...
