

Cape Breton accent

By Frederic P. Miller

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - The Cape Breton accent describes variants of Canadian English spoken on Cape Breton Island, a large island on the north-eastern coast of the province of Nova Scotia in Canada, comprising about one-fifth of the province's area as well as population. Most of the inhabitants of European ancestry descend from people long resident on the island, and the community has had time to develop a local dialect. Many on the Island are descended from Highland Scottish settlers fleeing the Highland Clearances. But there has long been a French-Acadian element on the island, as well as Irish. The accents can be divided into three categories: the Western or Scottish Gaelic accent (Judique, Mabou, the Margarees), the Industrial accent (Sydney, Glace Bay) and the French Acadian (communities surrounding Cheticamp, L'Ardoise and Isle Madame). There are also influences of the Irish Gaelic accent that can be heard in numerous communities throughout the Island. 132 pp. Englisch.
