Naturopath, Iridologist, Herbalist, Lecturer An inspiring story of courage that goes on to make a difference Katrina Ellis story is one that will amaze and encourage anyone who has found themselves affected by the harsh realities of cancer. A survivor herself, and practicing naturopath for close to twenty years, she writes with personal candour about her own experience of conquering malignant ovarian cancer and, in doing so, offers a profusion of hope to her readers. Shattering the Cancer Myth, 4th edition, is not only the remarkable story of one woman s battle to overcome cancer but is a practical and comprehensive guide that explores the science behind orthodox treatment and how to counteract its side-effects and enhance its effectiveness, as well as detailing complementary treatment options, including cancer fighting herbs, vitamins, nutrition, mind medicine and progressive new cancer treatments. The fourth edition to the original best seller, Shattering the Cancer Myth, updates Katrina s remarkable story and includes a groundbreaking chapter from an expert in the field of integrative oncology, as well as the...
