Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.INNER HEALING is about being transparent with God, ourselves and others to release the hurt, pain, and shame suffered from past experiences; to be healed inwardly. Deep wounds are sustained from family, friends, associates, strangers, and are even self-inflicted, but in order to be made whole it is necessary to remove the superficial covers that are used. Past hurts, pain, and suffering from abuse, rejection, abandonment, generational curses, false accusations, social injustices and unhealthy relationships has to be exposed and dealt with; to reach your potential and avoid wounding others. Understand it is important to receive help in many situations to be set free. Band-aids, medications or other superficial cover-ups are temporary, but deliverance and healing that comes through the anointing (presence and power), of God is permanent. You will develop a genuine expression of love for God, self and others. Dr. Gwendolyn A. Washington is an ordained minister and has been involved in the ministry of healing for over twenty years.
