Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 241 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Stranger Than Fiction: The Lincoln Curse is a revised edition consisting of 50 stories that prove, in the words of Mark Twain, sometimes truth can be stranger than fiction. According to Southern lore, a dying Confederate, versed in the dark arts, placed a curse on the Lincoln family and the Federal government. Soon afterwards, Abraham Lincoln was assassinated and calamity befell everyone who assisted or abetted the Lincoln family. In the next 98 years three more American presidents were assassinated. Each time an American president has been murdered, he was in the company of a member of the Lincoln family. Mary Lincoln was with her husband the night he was shot. Robert Lincoln, the president's oldest son, was with his father when he died the next morning. Robert Lincoln was in the company of President Garfield when he was gunned down 16 years later. The same Robert Lincoln was in the company of President McKinley when he was felled by an assassin's bullet in 1901. Evelyn Lincoln, personal secretary of President Kennedy, was near the president when he was slain in 1963. Curse or coincidence? Either way it proves truth can be stranger than fiction. Read about how medical bungling killed President Washington who was accidentally bled to death and marvel at the antiquated medical procedures that prompted one doctor to propose resurrecting Washington shortly after he died. Read how President Garfield died as a result of medical bungling. Why did a Japanese soldier go on fighting World War II for 29 years after it had ended? Examine the photo of Abraham Lincoln's ghost taken by a spirit photographer and decide for yourself...
