Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.
(Agustina Treutel)

Sagep Editori, 2016. Book Condition: new. Genova, 2016; br., pp. 160, ill., cm 17x22. La pasta è un simbolo della cultura gastronomica ligure da oltre otto secoli. Generazioni di fidelari e vermicellai hanno contribuito all'evoluzione di un prodotto cardine della dieta mediterranea. Partendo da un piccolo paese dell'entroterra genovese, si va alla ricerca delle tracce storiche della pasta in Liguria, curiosando fra testimonianze, attestazioni e ricette. Il filo della tradizione pastaia talvolta segue i destini di certi nuclei familiari che da secoli esercitano questo mestiere regalando un'incomparabile eccellenza. In una regione di mare e di monti, si scopre come la pasta vinca le diversità, accomuni nel gradimento e accompagni verso il futuro della cucina ligure.
