Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.

Not illustrated. 1788 Excerpt: . . . tends rather to quiet the mind than to rouse it: upward motion, Chap. i. on the contrary, overcoming the resistance of gravity, makes an impression of a great effort, and thereby rouses and enlivens the mind. The public games of the Greeks and Romans, which gave so much entertainment to the spectators, consisted chiefly in exerting force, wrestling, leaping, throwing great stones, and suchlike trials of strength. When great force is exerted, the effort felt internally is animating. The effort may be such, as in some measure to overpower the mind: thus the explosion of gun-powder, the violence of a torrent, the weight of a mountain, and the crush of an earthquake, create astonishment rather than pleasure. No quality nor circumstance contributes more to grandeur than force, especially where exerted by sensible beings. I cannot make the observation more evident than by the following quotations. Him the almighty power Hurl'd headlong flaming from th' ethereal fley, With hideous ruin and combustion, down To bottomless perdition, there to dwell In adamant chains and penal sire, Who durst defy th' Omnipotent to arms. Paradise Los, licit I. Now storming fury rose, And clamour such as heard in heaven till now Was never; arms on armour clashing bray'd Horrible discord, and the madding wheels Of brazen chariots rag'd; dire was the noise Of conflict; over head the dismal hiss Of fiery darts in flaming volleys flew, And flying vaulted either host with sire. So under fiery cope...
