

Omnipotent Government (Hardback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

OMNIPOTENT GOVERNMENT (HARDBACK)

Read Books, United Kingdom, 2008. Hardback. Book Condition: New. 226 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.OMNIPOTENT GOVERNMENT- The Rise of the Total State and Total War BY Ludwig von Mises. Preface: IN dealing with the problems of social and economic policies, the social sciences consider only one question whether the measures suggested are really suited to bringing about the effects sought by their authors, or whether they result in a state of affairs which from the viewpoint of their supporters is even more undesirable than the previous state which it was intended to alter. The economist does not substitute his own judgment about the desirability of ultimate ends for that of his fellow citizens. He merely asks whether the ends sought by nations, governments, political parties, and pressure groups can indeed be attained by the methods actually chosen for their realization. It is, to be sure, a thankless task. Most people are intolerant of any criticism of their social and economic tenets. They do not understand that the objections raised refer only to unsuitable methods and do not dispute the ultimate ends of their efforts. They are not prepared to admit the possibility that they might attain their ends more easily by following the economists advice than by disregarding it. They call an enemy of their nation, race, or group anyone who ventures to criticize their cherished policies. This stubborn dogmatism is pernicious and one of the root causes of the present state of world affairs. An economist who asserts that minimum wage rates are not the appropriate means of raising the wage earners standard of living is neither a labor baiter nor an enemy of the workers. On the contrary, in suggesting more suitable methods for...
