Brand New Book ***** Print on Demand *****.What would happen if a teacher absconded, during a school trip, with an ex-pupil? Would the pupils in her care return to school safely? How would their parents be likely to react? How would the school cope? What would staff members think? What would the Headmaster do? These, and other questions are answered in Keith Redfern s first novel, which provides some of the back story to Apportionment of Blame. Set in the late 80s, it describes the first day of a Spring Term in an English Comprehensive School. Fresh and well rested from their Christmas break, everyone should be ready to face the challenges ahead. But staff members are frustrated by current changes in education, and particularly those which affect the running of their school. Many are considering leaving the profession, and the Head of Music appears to have found the ideal route in Corfu, during a Mediterranean cruise. But she is with a man ten years her junior. Someone of dubious reputation, who has swept her off her feet, causing her to forget the likely consequences of her actions for those in her care, for the colleagues she has abandoned and for her own professional future. The mild mannered Headmaster is thrown into a panic of confusion. What should be done? What can be done? With visits from a school inspector, members of the press and a drunken caretaker, then a Governors Meeting to cope with, this is his day from hell. As money is tight, schools are now controlled by accountants. Bizarre changes have been enacted, including the introduction of a footballer style transfer system for teachers, and classroom lights which switch off automatically when...
