The paper is especially focused on their long and intimate fellowship. To illustrate the statement that neither one of them would have won fame, in exactly the same way as it took place, is the main objective of this work because it clarifies their close connectedness and dependency. This seminar paper starts with a consideration of historical researches on Agrippa by selected historians. Agrippa appeared most often on the side of Augustus and so it is a matter of common knowledge that literature about Augustus had a huge number whereas literature in respect of Agrippa was very contemplatively. Afterwards a reflection with specific aspects is joining the work for clarifying the connectedness between Agrippa and Augustus. The following key aspects like Agrippa and his self-understanding, gathering and contrariness among the two of them, Agrippa and his request as well as his road of life alongside Augustus and his funeral are entering the limelight. 24 pp. Englisch.
