EL FUREIDIS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from El Fureidis Do you remember, my friends, those winter evenings when I sat with you in a certain pleasant library in New York, and listened with attentive ears while you discoursed of past experiences in Eastern lands? Do you remember how, with maps spread out upon the table, you recalled each familiar scene, and introduced me, novice as I was, into the porch of that temple of historical and sacred lore in which you were already devotees? Always worship the rising sun, was the worldly-wise maxim of an old nurse, who exercised a vast influence upon my childhood; and recalling this favorite proverb of my early oracle, I set myself diligently to the study and comprehension of that mystical secret which makes the Orient a charmed land. In El Fureidis, you behold the result. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
