RHUMOUR HAS IT

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 9.0in. x 5.9in. x 0.5in. This collection of poems has been assembled from items written across more than forty years so as to give a fair cross section of the varying themes and styles Rhumour has worked with down the years. The earliest poem amongst those in this book dates from the mid sixties Dog Rhyme is a light hearted item based around a story related by one of his friends at the time. At the other end of the spectrum perhaps is Dolphins Of The Cove, a recent poem which examines the story behind a documentary film, The Cove about the stunningly cruel slaughter of thousands of dolphins at Taiji cove every year when the sea turns red. . . . The many narrative poems, romantic poems and themes of concern about the modern world combine within that spectrum to form a potent mix with appeal to a very wide audience, and has often been commented, they are often multi-layered by adept use of word play that stimulates the reader to read them over and over. One example comment on In Darker Days We Gather - Wow, this poem has layers and layers. Not one you can read once and dismiss. Must read this one over and over to get the full effect. Cathy . Plunge into this book and you will surely find many gems to keep you wanting more - and more is what we can expect since there are hundreds more yet to come. The Man Behind The PenRhumour is the pen name of Dave Dunn and dates back to his grammar school days in the mid sixties when most of his writing was in the form of limericks and other comic pieces. The impact of the...
