

The Truth about Bulgaria (Classic Reprint)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE TRUTH ABOUT BULGARIA (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Truth About Bulgaria Many thousands of our boys made the supreme sacrifice. Millions more were ready to do the same. These boys were idealists. They sacrificed themselves for democracy, so that freedom, justice and peace might reign upon the earth. That no people should be left under the oppression of other people, simply because they lack the brute power to resist such oppression. Will not the blood of our noble sons cry out against us if we leave the unfortunate Macedonians under a yoke incomparably worse than that of the Turk? If the reading of this pamphlet does not bring the conviction that the great bulk of the Macedonian population is Bulgar, and therefore should be allowed to unite with their brothers of Free Bulgaria; will not the brief recital of cruel oppression practiced upon them by Greece and Servia arouse our holy indignation and make us insist before the Governments of America, France and England that Macedonia be created into a free and independent country, where the people can exercise their God-given right to mould their own destinies? The writer has been a witness and a participant in most of the events referred to in this booklet and could write his story without quoting anybody. However, not wishing to be criticized as partial to the country of his birth, he considered it prudent to quote authorities whom nobody can accuse of partiality. Bulgaria and Her People, by Prof. W. S. Monroe, Page Co., Boston; and Report of the International Commission to Inquire into the Causes and Conduct of the Balkan Wars, Carnegie Endowment for International Peace, Washington, D.C., have been freely quoted. These...
