The room is not a perfect square, the right band corner at the back being cut off diagonally by the doorway, and the opposite corner rounded by a turret window filled up with a stand of flowers surrounding a statue of Shakespear. The piano, a grand, is on the lest, open, with the keyboard in full view at right angles to the wall. The piece of music on the desk is When other lips. Incandescent lights, well shaded, are on the piano and mantelpiece. Near the piano is a sofa, on which the lady and gentleman are seated affectionately side by side, in one another s arms.
