A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

When Joe Murphys wife, Linda, spies an ad for a beautiful 3-story Victorian house in need of some TLC, the couple jumps at the chance for their dream home. Renovating it will allow them to indulge their passion for antiques and to get closer to an era they believe was a better time. Privately, Joe hopes that the project will also fill the void that has opened within their family life. They embark upon a grueling three-year renovation to restore the house to its former splendor, and everything seems perfect until the morning Joe awakes to find a horse-drawn milk cart in his driveway and his family inexplicably transported back to the year 1909. Suddenly the Murphys dream for a simpler time becomes a shocking reality, one in which they will struggle to adapt to turn-of-the-century Iowa while seeking a way to return home. *Completely Restored* is a unique page-turner of a novel, filled with historical figures and events that help to teach a modern family about the simple joys of life. **Reader Reviews: An Unassuming Jewel!**, Robert Kerrs *Completely Restored*, starts as a very unassuming book But Kerr is careful not to turn this into a simple romantic view of the past by interjecting a number of plot arcs which also convey how different the rule of law, child protection, and the limitations of medicine were one hundred years ago The book evokes a feeling of nostalgia and desire for simpler times while at the same time making one appreciate the things they have today.
