RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 78 pages. OCLC Number: (OCoLC)741500701 Subject: Human smuggling -- United States -- Prevention. Excerpt: . . . DHS ICE is responsible for investigating alien smuggling as well as Department of Homeland detaining and removing aliens who are subject to removal from the United Security Components That States. ICE focuses on enforcement of immigration and customs laws Address Alien Smuggling within the United States, and its mission is to detect and prevent terrorist along the Southwest and criminal acts by targeting the people, money, and materials that Border support terrorists and criminal networks. OI, among other things, is responsible for investigating alien smuggling violations at the border and beyond. In fiscal year 2010, OI had a budget of about 1. 7 billion and as of November 2009 had a staff of about 8, 600, which includes investigators and support staff responsible for all of OIs investigative areas nationwide. The types of alien smuggling cases handled by OI can range from reactive cases, resulting from a particular incident or referrals from other law enforcement agencies, to proactive cases, resulting from intelligence gathering or use of financial investigative techniques. According to OI officials we interviewed, the majority of OIs alien smuggling investigations are reactive cases initiated based on referrals from the Border Patrol or local law enforcement as a result of alien smuggling interdictions made by these agencies. Responding to these referrals leaves less investigative resources to initiate proactive investigations. In addition, investigations can vary in their complexity. For instance, some cases do not require extensive investigation and investigation is limited to prosecuting the alien smuggler caught in the act of smuggling aliens. Conversely, a recent investigation conducted by OI in El Paso led to the indictment of a hotel owner...
