

## Laos and Its Expatriates in the United States: A Memoir of an American Professor

By Kou Yang

America Star Books. Paperback. Book Condition: New. Paperback. 404 pages. Dimensions: 8.9in. x 6.0in. x 1.2in. This book covers Laos, its past and present as well as its land, its peoples, and its interaction with Laos former citizens living in the Unites States of America. It also includes a brief coverage of Laos in the re-orientation of the U. S. priority in the Asia-Pacific. The book highlights the Secret War and its impact on the country, the refugee exodus and their adaptation to the United States, postwar relationship between Laos and the United States, and the process of healing the scars from the war years. To tell the story of Laos and its mystique, fascinating culture and belief systems, the book includes many folk stories and local legends that led to certain beliefs, festivities, and/or gave name to certain mountains and local villages. This discussion also includes traditions and cultural festivities, rituals and ceremonies and their meaning and ramifications. The discussion of war to peace or healing scars of the war-adds an important meaning to the book and special hope to the peoples of Laos and Laos expatriates in the United States. Another important point of the book is its cover...
