## Darsanamala: Sri Narayana Guru Viracita

By Narayana Guru

D.K. Printworld (P) Ltd., New Delhi, India, 1998. Softcover. Book Condition: New. First Edition. Narayana Guru was a rishi as well as a sutrakara (the author of a sutra text) of the Age of Science. Of his Sanskrit works, the Darshanamala stands out as prominent. This work of one hundred verses considers the ultimate, non-dual Reality from ten different philosophical angles, where each angle is revealed in a chapter comprised of ten verses. Each such vision (darshana) is unique, while the non-dual vision running through each remains the same. As such, all visions can be visualized as forming a single garland (mala) united by a common string. The present commentary in Sanskrit by Professor M.H. Shastri is a free rendering of a Malayalam commentary on the Darshanamala, which was the first of its kind, and was written by Swami Vidyananda. Swami Vidyananda was a direct disciple of Narayana Guru and it was he who took down the Guru's dictation which would come to form the original poem. Printed Pages: 112. Size: 15 x 23 Cm.
