

## Inhomogeneous optical transmission system study of self-similar pulse and pulse abnormal manipulation(Chinese Edition)

---

By DAI CHAO QING . WANG YUE YUE ZHU

paperback. Book Condition: New. Paperback. Pub Date: 2016-01-01 Pages: 125 Language: Chinese Publisher: Science Press. LLC non-uniform optical transmission system. Research and pulse abnormal pulse-controlled self-similar non-uniform variations in the optical fiber coefficient nonlinear Schrodinger equation as a model to study the spatial diffraction using analytical and numerical simulation of two complementary methods. spatiotemporal coupling. high-order dispersion and higher-order nonlinear effects of self-similar pulse .

### Reviews

*Absolutely essential read publication. it absolutely was writtern very completely and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Sarai Lebsack**

*Thorough guide for book enthusiasts. I am quite late in start reading this one, but better then never. Your lifestyle span will be transform when you total reading this article book.*
