Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 272 x 206 mm. Language: English . Brand New Book. Hailed by both Matisse and Picasso as the father of us all, Paul Cezanne bridged 19th-century Impressionism and the radically different world of 20th-century art. These excellent illustrations allow colorists to paint Cezanne s most famous creations, including Leda and the Swan, Still Life with Apples and Peaches, and many others. From great works of the Italian Renaissance to masterpieces from the Impressionist movement, the Dover Masterworks series offers more experienced colorists the opportunity to re-create some of the world s most famous paintings. The illustrations are printed on only one side of perforated pages, making it easy for artists to remove and display their finished pieces. The original paintings are included in full color on the inside covers for reference.
